

Insect Screen

Extra Strength

Extend the life of your screen with the ultimate in strength and durability

Product Overview

Extra Strength screen is our strongest fiberglass screen. The Extra Strength screen's heavyweight weave is 40% stronger than standard fiberglass mesh providing greater protection and long-lasting durability while offering excellent outward visibility.

Benefits

- Extra Strength window screen mesh resists dents, stains, and scratches
- Finer mesh and weave provide greater insect protection than a standard screen; keeping bugs out
- Durable PVC coated fiberglass screen mesh creates a long-lasting window screen that you can enjoy for years
